New Mirror Revolutionizes Safe Driving

- ONLY MaxiView has a 360° ball and swivel for full-focus capability
- See blind spots that your factory mirror cannot see or be adjusted to see
- Change lanes and parallel park without taking your eyes off the road
- Never strain or twist neck again
- MaxiView's advanced curvature gives you a realistic view, three times larger than any other stick-on mirror
- Mounted in the upper inside corner of your side-view mirror, it will never block your rear vision.
- Actual Size: 2 1/2" x 1 3/4"

Optically engineered for expanded distortion-free visibility

360° fully adjustable ball and swivel

Super strength all-weather bonding strip

Shatterproof, fog-resistant lens

MADE IN USA

Amazing Adjustable Blind Spot Mirror!

MaxiView™ Mirrors see the blind spots your factory mirror can't see... and cannot be adjusted to see.

AS SEEN ON TV

Over 1,000,000 MaxiView Mirrors Sold!

1 Shows your side mirror indicating it's safe for lane changing... It's Not!

2 MaxiView's fully adjustable ball and swivel mirror shows the actual danger of a car next to you

3 NON-Adjustable Spot Mirror- Very small view, wasted view of your car and required placement blocks your rear vision

4 Compare the realistic view of the MaxiView Mirror to the small, distorted view of other non-adjustable, stick-on mirrors

What People Are Saying About The MaxiView Mirror...

My husband got me a pair of MaxiView blind spot mirrors and I am so much more relaxed and confident when I drive. I feel safe and know that I can responsibly change lanes and not put anyone in danger. My MaxiView Mirrors have followed me to every new car I've had since I first used them!
